**CARE FOR CREATION**  
"Everyone's talents and involvement are needed..." (LS14)

**Care for Creation Group**

Inspired by Pope Francis encyclical letter "Laudato Si – On Care for Our Common Home", a new parishioner initiative has begun with the formation of a "Care for Creation" group. Our objectives are to raise awareness in our parish communities of the challenges posed by the environmental crises and to take up our responsibilities as Christians to act to counter these. Recently we planted some bulbs and flowers to begin the process of restoring biodiversity back to our parish grounds. Now as Lent approaches, we want to encourage everyone to do something practical to show we care for our common home by (for example):  
Reducing our use of plastics  
Using the car less and walking or cycling more...

If you would like to join us in this new venture, please contact Marian on 087 2031741 for more information.
